Communications regarding the call for applications will be sent to the institutional e-mail address ending in [@studio.unibo.it](mailto:@studio.unibo.it).

**PLEASE NOTE:**

- a. The application will be deemed valid only if the student completes the above procedure correctly;
- b. It is important to check all the contact details indicated in the relative section on Studenti Online - particularly the residential address
- c. It is not possible to submit the application in paper format or by email.

**Art. 4 – Procedure for accessing the benefit**

Each candidate will be notified of the outcome of the application process by email sent to the university email address ([nome.cognome@studio.unibo.it](mailto:nome.cognome@studio.unibo.it)).

Successful candidates will receive the SIM card sent directly by Telecom Italia Mobile to the residential address indicated by the student in the personal details section on Studenti Online.

In the event there are fewer than 11,666 successful candidates, the unallocated cards will be made available to other students through specific competitive selection procedures that will be announced following expiry of this call for applications.

**Art. 5 Formulation of the ranking list**

If, following expiry of this call for applications, the number of successful candidates exceeds 11,666, the University will rank the candidates in ascending order in respect of the ISEE 2020 value calculated for benefit purposes in relation to the right to Higher Education.

PLEASE NOTE: In order to submit the ISEE, log on using your University username and password to the "[Online Services](#)" section of the ER.GO website and fill in the "Dati personali" (Personal details) and "Dati economici" (Economic data) sections **before the competition deadline**. The "Economic Data" section requires the Self Certification (DSU) registration number obtained from INPS, which is needed to obtain the ISEE.

International students who cannot request the ISEE can find detailed information about how to submit the documentation for the calculation of their economic status on the University website at the following link [www.unibo.it/documentitasse](http://www.unibo.it/documentitasse).

NOTE: Submission of the ISEE and/or documentation needed to check economic status for the purposes of this call is also valid for the calculation of the tuition fee payable on enrolment for the 2020/2021 academic year.
