N. 2 scholarships for international students enrolling in first year of the **international curriculum Advanced mathematics for applications, second cycle degree Mathematics** – Department of Mathematics, University of Bologna.

Art. 1 – Subject and amount

Following the notice of call for applications for the admission to **the first year** of international curriculum **Advanced mathematics for applications, second cycle degree Mathematics** – Department of Mathematics, University of Bologna. The Department of Mathematics announces the selection for 2 scholarships for **the amount of € 5.000 each (gross of all charges)**, addressed to international students that will first enroll in the academic year 2023/2024 to the programme.

Art. 2 – Incompatibility

The scholarship is incompatible with other scholarship/ prizes for the same purpose assigned by the University of Bologna, by ER.GO, by MAECI, by the Collegio Superiore di Bologna, by CRUI for students under international protection (quota referred to meals).

Art. 3 – Eligible Candidates

Admission to selection procedure is valid only for who already applied in admission procedure to **the first year of the international curriculum Advanced mathematics for applications, second cycle degree Mathematics** – Department of Mathematics, University of Bologna, under the following conditions:

- They graduated in a foreign University and are in possession of an eligible title;

- They have **applied for the international curriculum Advanced mathematics for applications, second cycle degree Mathematics, by the deadline of the II intake (application deadline: July 5, 2023)**, according to procedures and admission requirements described in the call for admission available at <https://corsi.unibo.it/2cycle/Mathematics/how-to-enrol>
- They have received a **positive evaluation (“green status” in the platform SOL) by the Admission Board within July 19, 2023.**
- They are under 30.

Art. 4 – Assignment

The scholarships will be assigned by the same evaluation Committee as for the admission to the Degree Programme by grading max 30 point as follows:

- Academic curriculum: max 25 points
- Curriculum vitae: max 5 points

In the event of parity between several candidates the scholarship will be assigned to the youngest.

Art. 5 – Application procedure and deadline
