Art. 2

Subjective requirements to participate in the selection

1. The selection procedure is open to:
 - a. candidates who have obtained a national qualification in accordance with Article 16 of Law 240/2010 for the competition sector merged into the subject area to which the call for applications refers and for the functions to which the procedure refers, or for higher functions provided they do not already perform those higher functions;
 - b. candidates who are eligible pursuant to Law 210/1998 for the category to which the call for applications refers, solely for the period of eligibility;
 - c. professors already employed by a different University in the category to which the call for applications refers;
 - d. academics with permanent employment abroad, performing research or teaching activities at the university level in positions that are equivalent to those to which the call for applications refers, as determined by reference to the tables of equivalence issued by the Italian Ministry of University and Research (hereinafter the MUR) in Ministerial Decree no. 456 dated 10 May 2023. The University may obtain the Ministry's opinion on the equivalence of the candidate's role as declared with Italian academic positions. The Ministry shall express an opinion within 60 days of the University's request. In cases where the Ministry's opinion needs to be obtained, the candidate shall be admitted to the procedure on a conditional basis.
2. Applicants who, at the time of submitting their application, have a degree of kinship or affinity up to and including the fourth degree with a professor of the Department that seeks to fill a vacancy or of the entity making the call or with the Rector, the Director General or a member of the Board of Governors of the University, may not take part in the selection.
3. Additionally, pursuant to Article 5 of the Regulations governing the external funding of professor and fixed-term assistant professor posts, issued by Rector's Decree no. 1283 of 10/09/2018, applicants who hold offices of any kind within the funding body indicated in the table relating to the position to be filled or who have a degree of kinship, marriage, cohabitation or affinity up to and including the fourth degree with anyone who holds any such office may not take part in the selection.
4. The candidate must confirm that they meet the additional requirements pursuant to the applicable agreement. Said requirements are indicated in the relevant job description. The requirements pursuant to the applicable agreement must be met by the deadline for submitting applications. In the event that the requirements for performing clinical care activities include a degree and a specialisation degree, and one or both of them were obtained abroad, the candidate must indicate in their curriculum vitae that they have obtained the statement of

equivalence pursuant to Article 38, paragraph 3 of Legislative Decree 165/2001. Candidates who held a tenured position as at 01/02/1998 are exempt from the requirement to hold a specialisation degree in the discipline they were already teaching as tenured professors on that date (Article 56, paragraph 2 of Presidential Decree no. 483 dated 10 December 1997). When completing their online application, candidates who are exempt from the requirement to hold a specialisation degree must write “exempt pursuant to Article 56, paragraph 2 of Presidential Decree no. 483 dated 10/12/1997”, in the “Specialisation” field, and indicate the date as of which they have held the tenured position entitling them to the exemption, in the “Specialisation awarded on” field.

5. The candidate must meet the requirements provided for by this article by the deadline for submitting applications. Any subsequent changes affecting the requirements for participation must be notified promptly to the Ufficio Concorsi Docenti.
6. Candidates are accepted on a provisional basis. By reasoned decision, the Rector may exclude applicants from the procedure at any time for failing to meet the relevant requirements.

Art. 3 **Online application**

1. Applications to participate in the selection, together with the qualifications held and the documents and publications considered useful for the procedure, **must be submitted online, under penalty of exclusion**, using the dedicated IT application available at the following link:

<https://pica.cineca.it/unibo/>

2. **This is the only valid method to submit applications and the documents considered useful to participate in the selection procedure.**
3. Participation in the selection is only possible after self-registering with the system using an email account, which does not need to be a certified email account.
4. The candidate must enter all the information required to prepare the application and attach the related documents in PDF format. The application form must be completed in full, as specified by the online procedure.
5. The online application allows the documents in draft mode to be saved up until the deadline for submitting the application. Please note: The “draft” status does not indicate submission of the application. In order to confirm that they wish to proceed with the application, candidates must

ensure that the status of their application is “submitted”. Therefore, only applications showing the “submitted” status by the relevant deadline will be considered for the purpose of participating in the procedure and consequently sent to the Committee to be assessed. The date of online submission of the application is certified by the IT system, which issues a receipt that is sent automatically to the candidate via email upon submission of the application.

6. After completing the application and adding all the relevant attachments, the candidate must ensure that they click on “submit”. Completion of the application process will be indicated by the change in the application status, which will switch from “draft” to “submitted”. On completing the application process, the candidate will receive an automatic email confirming submission of their application.
7. **After the deadline for submitting the application, the system will no longer allow the electronic form to be accessed or submitted.**
8. The application must be prepared and submitted online **by and no later than 11.59 p.m., Italian time, on the thirtieth day following that of publication of the call for applications in the Italian Official Gazette – IV special series – Competitions and exams**. Each application will be assigned an identification number that, together with the competition code indicated by the IT application, must be specified in all subsequent communications.
9. Users can access the University of Bologna website (<https://bandi.unibo.it/docenti/procedure-chiamata-professori>) to consult a brief “Practical guide for completing the application on the PICA platform”.

Art. 4

Declarations to be made to participate in the procedure

1. Candidates, aware of the criminal penalties for making false declarations or preparing or using false documents, as referred to in Article 76 of Presidential Decree no. 445 dated 28 December 2000, must indicate and/or provide the following in their applications:
 - Department, Subject Area and Subject Group for which they apply;
 - Declaration regarding the processing of their personal data and authorisation to use said data;
 - Their personal identification and contact details;
 - Their qualifications as needed to participate in the selection;
 - That they meet the subjective requirements to participate in the selection, including the additional requirements pursuant to the applicable agreement, if provided for by the procedure;

- Declarations regarding their enjoyment of civil and political rights in their home country, and regarding any criminal convictions and/or pending criminal trials or proceedings;
- Declaration regarding any degree of kinship or affinity up to and including the fourth degree with a professor of the Department that seeks to fill a vacancy or of the entity making the call or with the Rector, the Director General or a member of the Board of Governors of the University;
- Declaration confirming that they do not hold offices of any kind within the funding body indicated in the table relating to the position to be filled and have no degree of kinship, marriage, cohabitation or affinity up to and including the fourth degree with anyone who holds any such office;
- That they agree to notify the Ufficio Concorsi Docenti about any subsequent changes with regard to meeting the requirements to participate in the procedure;
- Declaration of status regarding military obligations (only for male Italian citizens);
- Declaration regarding any removal or dismissal from employment with a Public Administration for persistent poor performance, or declaration that they have never been dismissed from public employment pursuant to Article 127, paragraph 1, point d) of the Consolidated Act governing the Statute of Civil State Employees, approved by Presidential Decree no. 3 dated 10 January 1957, or that they have never been dismissed for disciplinary reasons, including those specified in Article 21 of Legislative Decree 29/1993;
- Declaration regarding their knowledge of Italian;
- Declaration regarding any periods of involuntary suspension from research activities, with particular reference to the performance of parental duties;
- Declaration accepting the methods of disclosure and publication of the documents related to the procedure.

2. The following must be attached to the application to participate in the procedure:

- a) Photocopy of a valid ID document;
- b) Curriculum vitae (in Italian or English) indicating the candidate's teaching and scientific research experience. The curriculum vitae, duly signed and dated, must contain a declaration in lieu of certification, pursuant to Articles 46 and 47 of Presidential Decree 445/2000, confirming possession of all the qualifications indicated therein. The candidate's curriculum vitae must confirm that they meet the additional requirements pursuant to the applicable agreement. The University has prepared a CV template to facilitate assessment by the Committee, which is available on the University website (<https://bandi.unibo.it/docenti/procedure-chiamata-professori>) together with this call for applications;
- c) Publications in PDF format that the candidate wishes to submit to the Committee for analytical assessment. The Committee will only assess publications that have been correctly attached by uploading them either via LoginMiur or manually in PDF format.

Art. 5 **Eligible publications**

1. The scientific publications that candidates wish to use for selection purposes must be submitted by uploading them via LoginMiur or manually in PDF format, using exclusively the dedicated IT application available at the following link:
<https://pica.cineca.it/unibo/>
2. The assessment will consider publications and texts accepted for publication in accordance with current regulations, as well as papers included in collections and articles published in printed or digital journals, with the exclusion of internal notes and departmental reports. The texts and articles accepted for publication by the deadline for the call for applications must be submitted together with the related acceptance letter from the publisher.
3. For publications printed abroad, the date and place of publication or, alternatively, the ISBN code or another equivalent code must be indicated. Publications must be submitted in Italian or in English, unless otherwise indicated in the relevant job description. With regard to selection for language areas, publications may be submitted in the language or in any of the languages to which the procedure refers.
4. Publications in languages other than those provided for by the call for applications will only be considered if accompanied by an official translation certificate issued pursuant to the provisions in force. In this case, publications must be translated into Italian and the translation must be certified by the competent diplomatic or consular authority or by an official translator.
5. Publications will be processed by the Committee solely in the context of this selection procedure.

Art. 6 **Withdrawal of candidates from the procedure**

1. Candidates may withdraw from the selection procedure by sending an email to the Ufficio Concorsi Docenti at the address apos.concorsidocenti@unibo.it, attaching a signed declaration in PDF format and a photocopy of a valid ID document.

Art. 7 **Selection Committees and procedures**

1. The Committee is appointed as instructed by Articles 8 and 8-bis of the Regulations governing the call for full and associate professors. The work of the Committee is completed within three months of appointment by the Rector.
2. The Committee appoints a Chair and a Secretary, who takes the minutes, from among its members. It conducts its work in the presence of all its members and passes resolutions by an absolute majority of its members. The Committee may use online tools to hold meetings.
3. The Committee identifies up to three suitable candidates after giving a collective opinion on each candidate based on the assessment of the standards provided for by the Regulations and the call for applications. If more than one post is available, the above-said limits are multiplied by the number of posts.
4. The Rector may postpone the deadline to complete the procedure by reasoned decision at the request of the Chair of the Committee, only one time and by up to one month. If the documents related to the procedure are not delivered by the deadline to complete it, the Rector will dissolve the Committee and appoint a new one to replace it.

Art. 8

End of the procedure – Call of suitable candidates

1. The selection documents are approved by Rector's Decree within thirty days of their submission to the competent offices by the Selection Committee.
2. Following the comparative procedure carried out by the Committee, within two months of the approval of the documents, the Department Board will recommend to the Board of Governors one of the candidates that the Committee has identified as suitable – or a number of candidates equal to the number of posts available, if the call for applications refers to more than one post.
3. The Department's resolution, taking account of the outcomes of the assessment carried out by the Selection Committee, is based on the scientific, teaching and clinical care activities of the candidate(s), also in light of the consistency of the candidate's curriculum vitae with the teaching, scientific and clinical care activities outlined in the call for applications.
4. The Decree approving the documents and the Committee's minutes are published on the University website at the following page: <https://bandi.unibo.it/docenti/procedure-chiamata-professori>.

Art. 9

Processing of personal data

1. The personal data of candidates will be processed solely in accordance with current laws and for purposes strictly connected and conducive to managing the selection procedure.

Art. 10

Reference to the regulations

1. For all matters not governed by this call for applications, reference is made to the University Regulations governing the call for full and associate professors pursuant to Articles 18 and 24, paragraph 5 of Law 240/2010, as amended, issued by Rector's Decree no. 977 of 09/12/2013 – available at: <https://normateneo.unibo.it/>

Art. 11

Procedure Supervisor

1. The Procedure Supervisor is Michele Menna.
