THE DIRECTOR

SUBJECT: Procedure of comparative evaluation by qualifications and public discussion for the recruitment of 1 position for Assistant professor with a full-time fixed-term employment contract for three-year - pursuant to art. 24, paragraph 3, letter b), of Law no. 240/2010

Given That In 2023, two terminations of RTD positions occurred in the SSD ING-IND/14, one funded under the extraordinary plan 2020 and the other under the extraordinary plan 2020-bis. The Ministry of Education, University and Research (MUR) reassigned these positions to the University, and by resolution of the Board of Directors on 27/02/2024, the two positions were reassigned to the Department of Engineering (DIN).

With Reference To the rules referred to in Article 13 of the present call for application;

With Reference To the resolution of the Department Board of Industrial Engineering - DIN of 28/02/2024, of request for activation of a fixed-term Assistant Professor position pursuant to art. 24, paragraph 3, letter b), of Law no. 240/2010;

With Reference To the resolution of the Board of Directors of 26/03/2024, with which the request was approved;

Givent That Considering that the aforementioned educational and research needs presented by the Department of Industrial Engineering - DIN can be fulfilled through the issuance of a public selection procedure;

ORDERS

Art. 1 – Purpose

A procedure of comparative evaluation by qualifications and public discussion is called for the recruitment of 1 Assistant professor with a full-time fixed-term employment contract for three-year – pursuant to art. 24, paragraph 3, letter b), of Law no. 240/2010 –, Sector competition reference 09/A3 - Industrial Design, Machine Construction and Metallurgy, Scientific sector ING-IND/15 - Design Methods for Industrial Engineering.

The job is activated for the needs of research and study of the Department of Industrial Engineering - DIN of the Alma Mater Studiorum - University di Bologna.

Serving primarily at the Department of Industrial Engineering - DIN, in Bologna. The contract shall last three years. An annual gross total amount equal to € 44.208,00 will be corresponded to the researcher. The annual increase in this amount will be calculated according to the existing procedure for non-contracted personnel.

Art. 2 – Activities to be performed

The contract includes 350 hours of supplementary teaching and assistance to students, for each academic year covered by the contract. The contract shall schedule 60 hours of frontal teaching on annual basis.

Concerning the provisions of art. 10 regarding fixed term researchers, issued by Rectoral Decree no. 344 of 29/03/2011 and amendments, the researcher's activities must be linked to the development of the project: "Use of TRIZ and QFD/TRIZ Methodologies in Industrial Design".

Brief description of the activities. The QFD evaluates product design by defining technical parameters that can be assessed qualitatively. The primary goal of the project is to meet the end user's needs in innovative ways. From this perspective, the QFD focuses on evaluating the quality of the design process. TRIZ is a design method that addresses and resolves criticalities influencing product development, proposing innovative solutions to be adapted and developed further. During the application of the QFD methodology for designing innovative products, "inventive problems" may arise, which can be addressed using the TRIZ method in specific phases of the QFD process. This research aims to develop an integrated design methodology based on TRIZ and QFD, adapted as needed, within the context of industrial production, and to apply this integrated methodology in industry to verify the results obtained.

Objective of the research project, during the period of the contract, will be:

Scientific Publications: Publish at least 16 papers in high-level scientific journals documenting the research results and developed methodologies.

Participation in at least two Specialized Conferences: Present the research results at national and international conferences in the fields of industrial design and innovation.

Collaborations and Partnerships: Establish collaborations with other academic institutions, research centers, or companies to enrich the research and increase its scientific impact.

Subsequent Research Projects: Use the obtained results as a basis to propose and obtain funding for new related research projects.

Dissemination of Results: Organize workshops, seminars, or webinars to share the research results with the scientific and industrial community.

Development of Open Access Resources: Make available to the public open access resources, such as datasets, software, or tools developed during the research.

Art. 3 – Admission requirements

The selection is open to applicants who have obtained national academic qualification as full or associate professor pursuant art. 16 of L. 240/2010, or to applicants who have had for at least three years, even if not consecutive, contracts as fixed-term researcher, pursuant to art. 24 paragraph 3 letter a) of Law 240/2010 (junior), or contracts as research fellow pursuant to art. 51 paragraph 6 of Law 449/97 and amendments, or pursuant to art. 22 of Law. 240/2010, or postdoctoral research

scholarships pursuant to art. 4 of Law 398/89, or equivalent contracts or scholarships in foreign universities or foreign research centers, or contracts as fixed-term researcher for at least three years pursuant to art. 1, paragraph 14 of Law 230/2005.

Applicants, including those who come from non-EU countries, must be in possession of PhD or equivalent qualification obtained in Italy or abroad. Applicants must be in possession of the aforementioned qualification at the date of the deadline for the submission of applications to the present selection.

In case of a Ph.D. obtained abroad, it is necessary to attach the decree of academic recognition of the degree (so-called decree of equivalence, as provided for by Article 74 of Presidential Decree No. 382/1980). This requirement applies to those who already possess it. Alternatively, the recognition decision of the degree for the purpose of participating in competitions for researcher positions in universities and public research institutions must be provided, in accordance with Legislative Decree No. 206/2007 - amended by Legislative Decree No. 15/2016 (for EU degrees) - and Presidential Decree No. 394/99, Article 49 (for non-EU degrees). In the meantime, before the competent authorities issue the recognition decision, it is possible to submit the receipt confirming the submission of the recognition request.

For more information on the procedures for the recognition of foreign degrees, it is recommended to consult the university's web page regarding "Non-academic recognition to participate in researcher competitions" at the following address: <https://www.unibo.it/en/teaching/enrolment-transfers-and-degrees/recognition-of-a-foreign-degree-1>.

In any case, the proof of the recognition of the foreign qualification must be produced to the administration prior to beginning service and, anyhow, within 180 days from the publication of the approval decree of the procedure on the official university bulletin, otherwise the exclusion from the position of winning candidate occurs.

Applications from professors, associate professors, or researchers with tenure will not be accepted, even if the applicant is not in service.

The selection is not open to any persons who are related by blood up to the fourth degree, to a professor working in the Department or in the Structure that proposed the activation of the contract, or to the Rector, to the General Director or a member of the Board of Governors of the University.

Furthermore, the selection is not open to anyone who has had research fellowship or fixed-term researcher contracts at the University of Bologna or any other state-funded, private-funded or distance-learning Italian university pursuant to articles 22 and 24 of Italian Law 240/2010, or with any other body listed in paragraph 1 of Art. 22 of Italian Law 240/2010 for a period which, summed to the foreseen duration of this contract, exceeds a total of 12 years, even if not consecutive. For

the purposes of the duration of the above-described periods, in compliance with the laws in force any periods of maternity or sick leave shall not be calculated.

State employees may on unpaid leave for the entire duration of the contract, thus occupying a non-tenure position without pay or social security contributions, in cases where such a position is allowed by the structure of origin, likewise without pay or social security contributions.

Art. 4 – Application procedure

The penalty of exclusion from the selection shall apply in the following cases:

- Non-compliance with the terms established for posting the application form;
- Lack of the requirement pursuant to art. 3 of the present call for application (qualification).

All applicants shall be admitted to the contest and the Administration reserves the right to check that they actually are in possession of the requirements necessary to apply for the selection; the Administration may, at any time and even after the exams, order the exclusion from the selection hereto.

Art. 6 – Selection Board

The Selection Board will be appointed upon administration resolution and is composed of three full or associate professors belonging to the competition Scientific sector or, alternatively, to the same competition macro-sector for which the procedure is announced or of equivalent role in the case of components not coming from national universities, identified by the Department that proposed the activation of the contract.

Two of the members, external to the University, are drawn with the methods provided by the art. 8-bis of the Regolamento per la disciplina delle chiamate dei Professori di Prima e Seconda fascia in application of articles 18 and 24 of the Law 240/2010, issued with DR 977/2013 and s.m. A third component is identified by the Department Council among the professors inside or outside the University. As envisaged by art. 57 of Legislative Decree 165/2001, in order to guarantee equal opportunities between men and women for the access to work and work treatment, generally, at least one member is female.

The Commission appoints a president and a recording secretary between their members.

Notice of the appointment of the will be published on Alma Mater Studiorum - University of Bologna website.

Art. 7 – Selection procedure

The selection procedure is carried out by the Board after a preliminary evaluation of each candidate's qualifications, curriculum and scientific production, including the doctoral thesis, according to the criterion identified by the MUIR in D.M. 243/2011.

The candidates chosen in the preliminary evaluation based on their comparative merits - between 10 and 20% of the number of applicants and not less than 6 - will then be called for interview. The interview will consist of a discussion of the candidate's qualifications and scientific production and may take the form of a seminar open to the public. If the total number of candidates is 6 or less all candidates will be interviewed.

Any reference letters produced by the candidates will also be considered.

The discussion will take place in Italian. During the discussion, candidates must demonstrate adequate knowledge of the English language.

The discussion with the Commission will be carried out in public form and will be held in presence or electronically using the audio and video teleconferencing tool via the Teams platform (the workstation from which candidates will take the interview must be equipped with a webcam -

essential for the recognition of the candidate - microphone and headphones and/or audio speakers).

Notice of the day, time and methods of conducting the public discussion (whether in presence or electronically via Teams) as well as the list of admitted candidates will be published at least 20 days before the discussion on the University website at: <https://bandi.unibo.it/docenti/rtd>.

The publication on the University website will constitute official notification to all applicants, without any obligation for any further communication.

The publication will be communicated by e-mail to the address indicated by the candidates in the application.

The Alma Mater Studiorum - University of Bologna does not assume any responsibility for the non-receipt or the not-read of the e-mail.

It is up to candidates to keep themselves informed by consulting the University website page to find necessary information about selection.

Candidates attending the interview must bring a valid identification document with them.

EU citizens shall bring their passport or an identity document issued by their country of origin. Non-EU citizens shall bring their passport.

Art. 8 – Identification and recruitment of the winner

After the exams, the Board proceeds to identify the winner. On equal merits, priority will be defined according to the date of birth and the youngest one shall precede.

The procedure's acts are approved pursuant to an administration resolution and will be published in Alma Mater Studiorum – University of Bologna Official Bulletin.

The terms to raise any appeal shall start from the date of publication of said notice, in case the resolution has not been otherwise disclosed.

In case of the winner's withdrawal, the candidate who obtained the highest overall score after the winner will be called.

The Department of Industrial Engineering - DIN, will propose recruitment by a majority vote of the professors and associate professors of the Department and approved by the Board of Governors. The Department will also propose the date of commencement of employment contract.

Art. 9 – Employment procedures

Following the conclusion of the recruitment procedure referred to in art. 8, the candidates will be asked to sign a fixed-term contract of full-time employment.

The employment relationship is governed by a personal contract, statutory laws and EC regulations. The personal contract shall specify any reasons for which it might be terminated, as well as the relevant periods of notice. In any case the contract will be terminated immediately and without notice in the event of the cancellation of the recruitment procedure to which it is inalienably linked.

The trial period shall last three months. At the end of the period, unless the employment relationship has been terminated by either of the parties, the employee is confirmed for service and the whole period worked from the beginning of the contract shall be calculated for seniority purposes.

Art. 10 – Documentation required for the participation in the public selection and for hiring purposes

For the purpose of participating in the public selection, documents and qualifications in English, French, German, and Spanish may be submitted in their original language.

However, scientific publications related to the subject area of the competition, in the case of selection procedures in language-related fields, may also be submitted in their original language. Documents and qualifications in other languages must be presented in their original language, accompanied by a certified translation in Italian or English.

The translation must be certified as faithful to the foreign text and can be carried out by the competent diplomatic or consular representation or by an official translator. As for the documentation required for employment purposes, any acts or documents drafted in a foreign language must be accompanied by a certified translation into Italian, faithful to the foreign text, which can be carried out by the competent diplomatic or consular representation or by an official translator.

Art. 11 – Rights and duties of a researcher with a fixed-term contract of employment

In accordance with the rights and duties of public employees prescribed by the Italian civil code, on signing the contract the researcher will be expected to perform all those activities mentioned in Art. 2. These activities will be carried out in respect of the existing hierarchy and in coordination with existing programmes and research projects.

The researcher will perform the requested activities in person, substitution is not permitted.

Existing Italian laws concerning maternity, injury and illness will be applied.

The researcher undertakes to fulfill the obligations of conduct prescribed by the code of conduct, issued by DPR 62/2013.
