THE DIRECTOR

WITH REFERENCE TO the rules referred to in Article 13 of the present call for application

WITH REFERENCE TO the resolution of the Department Board of Cultural Heritage - DBC of February 23, 2022

ORDERS

Art. 1 – Purpose

A procedure of comparative evaluation by qualifications and public discussion is called for the recruitment of 1 researcher with a fixed-term employment contract full-time for the three-year - pursuant to art. 24 paragraph 3 letter b) (senior) of Law no. 240/2010 - Sector competition reference 10/A1 - Archaeology, Scientific sector L-ANT/10 - Methods of Archaeological Research.

The job is activated for the needs of research and study of the Department of Cultural Heritage - DBC. Serving primarily at the Department of Cultural Heritage - DBC, in Ravenna.

The contract shall last three years. An annual gross total amount equal to € 43.613,00.

The annual increase in this amount will be calculated according to the existing procedure for non-contracted personnel.

Art. 2 – Activities to be performed

The contract includes 350 hours of supplementary teaching and assistance to students, for each academic year covered by the contract. The contract shall schedule 60 hours of teaching on annual basis.

Concerning the provisions of art. 10 regarding fixed term researchers, issued by Rectoral Decree no. 344 of 29/03/2011 and amendments, the researcher's activities must be linked to the development of the project entitled: "Applying quantitative methods for studying processes of biocultural change in human evolution".

The candidate will carry out research and teaching pertaining to the scientific sector of this selection. Research activity will be focused on the application and development of quantitative methods to the study, documentation and dissemination of the archaeological and bioanthropological record, and cultural heritage in the broadest sense. By adopting a transdisciplinary approach, the researcher will contribute to the development of this sector from a theoretical, methodological and interpretive point of view. As part of the needs of the Center for Human Evolution, envisaged research will focus on integrating heterogeneous data sources to study processes of cultural and biological change, their mutual impact, and their relationship with environmental change and adaptive strategies. Participation in conferences/seminars and in the activities of national and international research groups is expected, to strengthen the scientific relations between the Department and similar structures.

In terms of productivity, the three-year period will be aimed at the publication of at least 6 articles or book chapters, of which at least 2 should be published in A-level journals. Alternatively, a monograph and 2 contributions (articles or book chapters) are expected, of which at least 1 should be published in an A-level journal.
