ORDERS

Art. 1 – Purpose

A procedure of comparative evaluation by qualifications and public discussion is called for the recruitment of 2 researchers with a full-time fixed-term employment contract for three-year - pursuant to art. 24, paragraph 3, letter a) (junior), of Law no. 240/2010, Sector competition reference 09/B3 - Business and Management Engineering, Scientific sector ING-IND/35 - Business and Management Engineering.

The jobs are activated for the needs of research and study of the Department of Management -DiSA of the Alma Mater Studiorum - University di Bologna.

Serving primarily at the Department of Management - DiSA, in BOLOGNA.

The contract shall last three years. An annual gross total amount equal to € 36.840,00 will be corresponded.

This amount will be annually increased according to the existing procedure for non-contracted personnel.

Art. 2 – Activities to be performed

The contract includes 350 hours of supplementary teaching and assistance to students for each academic year covered by the contract. The contract shall schedule 60 hours of teaching on annual basis.

Concerning the provisions of art. 10 regarding fixed term researchers, issued by Rectoral Decree no. 344 of 29th march 2011 and amendments, the researchers' activities must be linked to the development of one of the projects indicated below:

- **Project 1.** "Measuring sustainable performance of firms and industrial ecosystems: drivers and impacts", financed with funds from the CROSS Project – "CROtonic acid from Sewage Sludge" – LIFE program – code LIFE21-ENV-IT-CROSS-LIFE - Grant Agreement n. 101074164, and co-financed in a research agreement by the Bologna Business School Foundation.

The research project aims to further knowledge on the dynamics involved in organisations' climate change action and how companies' low-carbon transition can be fostered. The research development will require using qualitative and quantitative methods. Case studies, interviews, and document analysis (e.g. reports) will be conducted. Content analysis assisted by the software NVivo and quantitative methods of textual analysis will be adopted. Other data sources that are expected to be combined with qualitative research are panel datasets on companies' greenhouse gas emissions and primary data collected with a survey that will be analysed with statistical models.

The target to be reached at the end of the three years contract consists either in at least 2 articles ranked in classes 3 or 4 according to the classification of the Journal Quality Guide of the Association of Business Schools (ABS), or in a cumulated SJR (SCIMAGO Journal Rank) index greater or equal to 14.1 or at least 146 Scopus citations in the last five years.

- **Project 2.** “Oper.lab – Observatory and Lab on Open Innovation of the Department of Management”.

The Observatory on Open Innovation of the Department of Management is in charge of analyzing, promoting, and designing concrete and replicable models of Open Innovation, in connection with Almalabor, maker space - prototyping laboratory and coworking space of the University of Bologna, OPER.space, Design Factory for Open Innovation of the University of Bologna, with Almacube, innovation hub of the University of Bologna and Confindustria Emilia, and with all organizations interested in Open Innovation in the territory. The Observatory aims to identify and systematize success stories, best practices, and experiences in practitioners, academic publications, and on the Observatory's own website. The Observatory will conduct research activities with respect to relevant Open Innovation issues, with data/cases produced in Oper.space (in 2020 // 10 programs, 150 projects, 1000 people involved, 50+ organizations). The target to be reached at the end of the three years contract consists either in at least 2 articles ranked in classes 3 or 4 according to the classification of the Journal Quality Guide of the Association of Business Schools (ABS), or in a cumulated SJR (SCIMAGO Journal Rank) index greater or equal to 14.1 or at least 146 Scopus citations in the last five years.

Art. 7 – Selection procedure

The selection procedure is carried out by the Board after a preliminary evaluation of each candidate's qualifications, curriculum and scientific production, including the doctoral thesis, according to the criterion identified by the MUIR in D.M. 243/2011.

The candidates chosen in the preliminary evaluation based on their comparative merits - between 10 and 20% of the number of applicants and not less than 6 - will then be called for interview. The interview will consist of a discussion of the candidate's qualifications and scientific production and may take the form of a seminar open to the public. If the total number of candidates is 6 or less all candidates will be interviewed.

Any reference letters produced by the candidates will also be considered.

The discussion will take place in English. During the discussion, candidates must demonstrate adequate knowledge of the Italian language.

The discussion with the Commission will be carried out in public form and will be held in presence or electronically using the audio and video teleconferencing tool via the Teams platform (the workstation from which candidates will take the interview must be equipped with a webcam - essential for the recognition of the candidate - microphone and headphones and/or audio speakers).

Notice of the day, time and methods of conducting the public discussion (whether in presence or electronically via Teams) as well as the list of admitted candidates will be published at least 20 days before the discussion on the University website at: <https://bandi.unibo.it/docenti/rtd>.

The publication on the University website will constitute official notification to all applicants, without any obligation for any further communication.

The publication will be communicated by e-mail to the address indicated by the candidates in the application.

The Alma Mater Studiorum - University of Bologna does not assume any responsibility for the non-receipt or the not-read of the e-mail.

It is up to candidates to keep themselves informed by consulting the University website page to find necessary information about selection.

Candidates attending the interview must bring a valid identification document with them.

EU citizens shall bring their passport or an identity document issued by their country of origin. Non-EU citizens shall bring their passport.

Art. 8 – Individuation of the winning candidate and recruitment

After the exams, the Board proceeds to identify the winners. On equal merits, priority will be defined according to the date of birth and the youngest one shall precede.

The winning candidate who has obtained the highest score will have the right to choose the research project to be developed or the site (in the event that the project is unique, but there are two or more sites). The winning candidate who has obtained the best score after the first one will carry out the remaining project.

The procedure's acts are approved pursuant to an administration resolution and will be published in Alma Mater Studiorum – University of Bologna Official Bulletin.

The terms to raise any appeal shall start from the date of publication of said notice, in case the resolution has not been otherwise disclosed.

In case of the winner's withdrawal, the candidate who obtained the highest overall score after the winner will be called.

The Department of Management - DiSA, will propose recruitment by a majority vote of the professors and associate professors of the Department and approved by the Board of Governors. The Department will also propose the date of commencement of employment contract.

Art. 9 – Employment procedures

Following the conclusion of the recruitment procedure referred to in art. 8, the candidates will be asked to sign a fixed-term contract of full-time employment.

The employment relationship is governed by a personal contract, statutory laws and EC regulations. The personal contract shall specify any reasons for which it might be terminated, as well as the relevant periods of notice. In any case the contract will be terminated immediately and without notice in the event of the cancellation of the recruitment procedure to which it is inalienably linked.

The trial period shall last three months. At the end of the period, unless the employment relationship has been terminated by either of the parties, the employee is confirmed for service and the whole period worked from the beginning of the contract shall be calculated for seniority purposes.

Art. 10 – Documentation required for the participation in the public selection and for hiring purposes

For the purposes of participation in the public selection, documents and qualifications in English, French, German and Spanish can be produced in the language of origin. Documents and qualifications written in other languages must be presented in the original language with an Italian or English translation attached. The translation must be true and correct, written by an Italian consular, a qualified diplomatic representative, or an official translator.

Regarding the documentation necessary for hiring purposes, all the documents written in any foreign language shall be accompanied by a true and correct translation into Italian, written by an Italian consular, a qualified diplomatic representative, or an official translator.

Art. 11 – Rights and duties of a researcher with a fixed-term contract of employment

In accordance with the rights and duties of public employees prescribed by the Italian civil code, on signing the contract the researcher will be expected to perform all those activities mentioned in Art. 2. These activities will be carried out in respect of the existing hierarchy and in coordination with existing programmes and research projects.

The researcher will perform the requested activities in person, substitution is not permitted.

Existing Italian laws concerning maternity, injury and illness will be applied.

The researcher undertakes to fulfill the obligations of conduct prescribed by the code of conduct, issued by DPR 62/2013.
