Abstract of the call for applications for 2 grants addressed to students enrolled in Resource Economics and Sustainable Development for developing the official blog STEAMGREEN
(This abstract is translated to English just for publicity purposes. For any application and/or dispute resolution and/or for any legal purpose only the Italian version must be taken into consideration)

ART. 1 – Subject

A call for tutorships (Regolamento di Ateneo sugli assegni di tutorato ex art. 1 lettera b) L. 170/2003) is open for 2 grants for tutorship of 100 hours each and of € 1.132 each (before tax) for students enrolled in the degree programme Resource Economics and Sustainable Development (RESD) with the aim to develop the official blog STEAMGREEN of the international study programme.

The activities requested in the academic year 2022/2023 will be:

- developing the RESD official blog STEAMGREEN (in English) proposed as project in the application;
- publishing and sharing ideas and contents in the field of energy, natural resources, sustainability, environment (posting comments, interviews, publishing articles, events, books' reviews, publications, research projects).

The activities will be blended, both in the Rimini Campus in Via Angherà, 22 and remotely take place until October 2023, so an Internet connection, a mobile phone and a personal computer are necessary equipment the beneficiaries should possess. No reimbursement for these expenses will be provided. The tutorship does not imply any future employment.

Beneficiaries will be requested to inform monthly the RESD Degree Programme Director on the activities carried out and also to send a report of the activities and results achieved for evaluation after the first 3 months.

ART.2 – Beneficiaries

Beneficiaries are:

- students enrolled in the degree programme in Resource Economics and Sustainable Development for the academic year 2020/2021;
- students younger than 30 years (referring to the deadline of this call);
- good command of Italian and English.

ART. 3 - Application procedure

Application on studenti online

deadline: 22nd November 2022 – 12.00 pm (noon)

Documents required for the application (or the application will be invalid):

- curriculum vitae;
- copy of the identity card or the passport
- development plan in English for the blog;
- example of an article written in English

First year students:

- self-certificate of bachelor degree and final mark (for degrees obtained in Italy)
  or
- certificate of bachelor degree with legal duration and final mark (for degrees obtained abroad)

Second year students:

- transcript of records of exams passed

ART. 4 – Evaluation

A list of qualified applicants will be drawn up by the evaluation committee (professors Anna Montini, Roberto Patuelli, Giovanni Angelini) assigning the following scores:

- Development plan: up to 30 points
- Example of an article: up to 30 points
- Curriculum vitae and transcript of records: up to10 points
- Interview: up to 30 points.

The minimum score to pass the selection is 70 points.
In the event of equal points, the benefits will be granted to the youngest applicant.

The **interview** will take place online on **23rd November starting from 9 am in Teatini 1** and will focus on applicants' motivation and characteristics. Candidates admitted to the interview will be informed by email. Candidates unable to be in Rimini for unpredictable events may ask to sit the interview online.
Candidates missing the interview will be excluded.

ART. 5 – Incompatibility
The tutorship is compatible with other ERGO grants and is also compatible with the collaboration 150 hours only if not carried out in the same period.
The tutorship is incompatible with other tutorships ex DM 198/2003, or teaching contracts and tutorship of art. 10) of Regolamento per la disciplina dei Professori a Contratto in the same academic year.

ART. 6 - Renewal
The tutorship can be renewed for the following academic year should beneficiaries be in the same conditions as article 2 above.

ART. 7 – Assignment
The list of qualified applicants will be confirmed by the Head of the Rimini and Ravenna Campuses upon confirmation of no incompatibility and enrollment in the academic year 2022/2023. Beneficiaries will be emailed to @studio.unibo.it the safety guidelines and will have to complete the online course on safety on https://elearning-sicurezza.unibo.it/ and pass the final test. A certificate of the test will be available on their studenti.unibo.it profile.

ART. 8 - Acceptance
Selected candidates need to confirm acceptance of the grant within the date indicated in the official notification by the office Ufficio Scienze Economiche, Aziendali e Sociali and also confirm no incompatibilities or the assignment shall be invalid.

ART. 9 – Withdrawal
The beneficiaries who, for any reason, waive the contribution shall give written notification to campusrimini.didatticaseas@unibo.it 10 days in advance. The replacement of candidates will be possible if the withdrawal has taken place after acceptance but before starting the activities and if hours left are more than 100.

ART. 10– Loss of status
The beneficiaries will lose their status if they renounce their studies, if they transfer to another University, if they graduate, if they prove to be unfit for the tutorship. The loss of status will be confirmed by the Head of the Rimini and Ravenna Campuses.

ART. 11 . Payment
The payment will be done within 60 days after confirmation of the end of activities by the Responsible of the Settore Servizi Didattici of the Rimini Campus, upon approval of the Degree Programme Director.

ART. 12 - Privacy
The personal data provided shall be processed by the Alma Mater Studiorum – Università di Bologna Via Zamboni n. 33, 40126 Bologna according to: https://www.unibo.it/en/university/privacy-policy-and-legal-notes/privacy-policy/personal-data-processing

ART. 13 – Publishing
This call is published on https://bandi.unibo.it/
