*(This abstract is translated to English just for publicity purposes. For any application and/or dispute resolution and/or for any legal purpose only the Italian version must be taken into consideration)*

### **ART. 1 – Subject**

The Head of Rimini Campus of University of Bologna has established **2 grants** for the amount of € **1.300 each** (gross taxes), for students that in the A.Y. 2022/23 are (or were) regularly enrolled in the first or second year of the Second's Cycle Degree in **Resource Economics and Sustainable Development (RESO)**. The aim of the grant is to support students doing an internship abroad of 6 months (300 hours) for the preparation of their thesis.

The financial aid is not compatible with other benefits for the same purpose.

The internship period must not exceed 6 months and must be completed within the deadlines foreseen by the date of graduation.

The internship will be possible only by signing an agreement between the University of Bologna and the host organization and by signing an internship programme among the parties.

The selected candidate will have to use the University's internship application <https://tirocini.unibo.it> and follow the procedure and the deadlines indicated on the website <https://corsi.unibo.it/2cycle/ResourceEconomicsSustainableDevelopment/internshipforfinaldis>

At the end of the internship abroad and upon approval of the Committee, the internship (12 credits) will be recognized in the study program and will be divided as follows - 12 credits for the internship for final examination and 3 credits for the final exam.

### **ART. 2 – Admission Requirements**

Applicants must find the host organization independently and define the internship programme in English with the organization. The selection process will be implemented by a Selection Committee appointed who will evaluate the internship project and its relevance with the degree programme and will prioritize the project over the applicant's student career.

In case of a tie between two or more candidates in the ranking list, priority will be given to candidates with a lower family income, according to the Authority for the Right to Higher Education.

The Grant can't be awarded for internships already started and undergoing, therefore, the winners of the grant should start their internships only when they will be given formal communication of the selection procedure results.
