Call for applications for 2 grants for an internship for final examination addressed to students enrolled in the second year of the second cycle degree Programme in Resource Economics and Sustainable Development

(This abstract is translated to English just for publicity purposes. For any application and/or dispute resolution and/or for any legal purpose only the Italian version must be taken into consideration)

ART. 1 – Subject

The Head of Ravenna and Rimini Campus of University of Bologna has established **n. 2 grants** for the amount of **€ 600.00 each** (before taxes), in order to support students doing an internship of 300 hours to prepare the final dissertation in Italy.

The grants are addressed to students enrolled in the second year (within the normal duration) for the 2020/2021 of the Second Cycle Degree Programme in **Resource Economics and Sustainable Development (RESO)**.

The grant will be paid to partially cover expenses; the financial aid is not compatible with other benefits for the same purpose.

The internship shall last no longer than 6 months and end within the deadline for the final dissertation requirements.

The internship will be possible only by signing an agreement between the University of Bologna and the host organization and by signing an internship programme among the parties.

The selected candidate will have to use the University's internship application <https://tirocini.unibo.it> and follow the procedure and the deadlines indicated on the website <https://corsi.unibo.it/2cycle/ResourceEconomicsSustainableDevelopment/internshipforfinaldis>

According to the study plan, the internship will be recognized as “Internship for final dissertation” for 12 credits and the study plan will be updated with these 12 credits and 3 credits for final dissertation.

ART. 2 – Admission Requirements

Applicants must find the host organization independently and define the internship programme (in English) with the organization. The internship programme has to be also approved by the supervisor of the final dissertation. The selection process will be implemented by a Selection Committee appointed who will evaluate the internship project and its relevance with the degree programme.

In case of a tie between two or more candidates in the ranking list, priority will be given to the youngest.

ART. 3 - Application procedure

Applicants shall submit the application form (**Annex 1A**) addressed to
