Abstract of the Call for Applications for 2 study grants for the preparation of the final examination abroad addressed to students enrolled in the second year of the Second Cycle Degree in Resource Economics and sustainable development (RESO)

(This abstract is translated into English version just for publicity purposes. For any application and/or dispute resolution and/or for any legal purpose only the Italian version must be taken into consideration)

Art. 1 - Subject

The Head of the Ravenna and Rimini Campus, Alma Mater Studiorum – University of Bologna offers **2 grants of 1000 € each** (before tax) to support a period of study and research abroad for the preparation for the final examination abroad.

The contribution aims at promoting research for the preparation of the final dissertation or the writing and preparation of a research paper related to the topic of the dissertation.

Beneficiaries are students enrolled for the academic year 2020/2021 (within the normal duration) in the second year of the Second Cycle Degree in Resource Economics and sustainable development (RESO).

The study grant is incompatible with other scholarships, grants and benefits for the same aims during the same period.

The grant will partly cover expenses for a period abroad within universities and foreign institutions for a maximum of 6 months.

The internship shall last no longer than 6 months and end within the deadline for the final dissertation requirements.

According to the study plan, the period of study and research abroad will be recognized as “preparation for the final examination abroad” for 12 credits and the study plan will be updated with these 12 credits and 3 credits for final dissertation.

Art. 2 Admission requirements

Applicants providing with a research theme of international relevance, motivated by their supervisor, and those whose visiting period abroad is particularly relevant for gathering information necessary for the preparation of the final dissertation or for the research paper will be taken into consideration.

Aims of the projects:

1. collection of information available exclusively in a foreign country;
2. research in a foreign archive;
3. research in cooperation with researchers or professors in foreign universities or research institutes.

Art. 3 Evaluation

The Committee will give priority to the scientific strength and feasibility of the project.

In case of a tie between two or more candidates in the ranking list, priority will be given to candidates with a lower family income, according to the Authority for the Right to Higher Education.
