DIPARTIMENTO DI ARCHITETTURA

Ministry of Instruction, University and Research, (MIUR l.n. 232 in December 11, 2016 and D.M.262/17 in May 11, 2017), with the aim of fostering the internationalization of research in the Departments, publishes the present call, concerning **n. 1 Visiting Researcher/Fellowships for Foreign Scholar(s)** invited to carry out research activities within the Department's facilities.

The *Fellowship* shall allow a strong scientific interaction between the invited foreign scholars and Professors/Researchers of the Department with regard to the priorities identified in the Project of Excellent University Departments (see Annex I). This interaction shall be developed especially by means of the following activities: joint organization of workshops, lectures and events of scientific nature within the Department; drafting joint scientific manuscripts; joint participation to calls for European and international projects.

The Visiting Researcher Fellowship will carry out a research on Energy consumption and Lifestyle on products and the drivers that are pushing this approach into the future of design cultures. He/She will help to highlight how design can accelerate integration of energy-transforming technology towards the sustainability of appliances. He/She will contribute to enhance the results of the Department's research on the theme of DESIGN AND COMMUNICATION FOR SYSTEMIC AND RESPONSIBLE INNOVATION. The selected Visiting Researcher shall also hold a seminar on his/her research and professional activities, which will be mainly addressed to Master Degree and PhD Student and research fellows of the Department, and work in close relation to the Master Degree and PhD Students involved in a dedicated (international) workshop, under development in the same period.

Art. 2 - Compensation and related taxes

The compensation is calculated according to the type of contract (long or short visiting) as well as it is depending on the qualification defined by European Commission "Towards a European framework for research careers" for a total amount maximum of € 3.000,00 per month. The sum is to be considered a gross amount (taxes in Italy are 30%) and it will be scaled with respect to the fraction of month of the visit.

The *Visiting Researcher/Fellow* will be entitled to receive a lump sum compensation (one time) covering travel and transfer expenses, room and board for a total amount of 1.000 EUR (visa costs will be reimbursed separately).

All amounts are inclusive of deductions required by law from the University and the payee (IRAP, INPS, INAIL). The net payable amounts may be correctly established only after the payee has chosen his/her preferred method of taxation, namely:

- a) lump-sum taxation;
- b) mixed taxation in the light of international conventions against double taxation.

If option b) is chosen, for the fee payment it will be necessary to produce a certifications attesting the fiscal residence, issued by the competent tax authority of the country of residence.

- access the items and information technology resources of the Department and the "G. Michelucci" library (<http://www.DA.unibo.it/it/biblioteca>).
