

**CALL FOR FINANCIAL INCENTIVES TO ATTEND THE SUMMER SCHOOL
“Interdisciplinarity in STEM education” IN BARCELONA (SPAGNA) WITHIN THE
FRAMEWORK OF ERASMUS+ IDENTITIES PROJECT – Alma Mater Studiorum
Università di Bologna FOR A.Y. 2021-2022**

A call for applications for financial incentives to participate in the Summer School “Interdisciplinarity in STEM education” from 27/06/2022 to 01/07/2022 in Barcellona (Spain) within the framework of the Erasmus+ IDENTITIES project is hereby announced for 4 students of the LM in *Physics* – cod. 9245 and for 1 student of the LM *Informatica* – cod. 8028.

1 Admission requirements

Access requirements are:

- regular enrolment in the Master's Degree in Physics for the A.Y. 2021/2022

or

· regular enrolment in the Master's Degree in Informatica for the A.Y. 2021/2022;

· knowledge of English (B2 level).

2 Commission and award criteria

The selection will be carried out by a Commission (Prof.ssa Olivia Levrini, Dott. Michael Lodi, Dott.ssa Eleonora Barelli), which will proceed according to the merit criteria defined by the Commission and applied in the following order of priority

- grade obtained in the Bachelor's degree

- credit-weighted average of the results of the examinations of the master's degree course;

- quality of the motivations expressed in the motivational letter;

- curriculum vitae (experience and background in the field of science education).

The maximum score attributable to each candidate is set at 100 points; eligibility is achieved with a minimum score of 60. To ensure gender balance, winners will be drawn in order from the ranking list, ensuring there are at least two men and two women.

In the event of equal merit, the candidate with the youngest age shall take precedence in the ranking.

On the basis of the ranking list drawn up by the Commission, the Department will assign the incentive

3 Economic incentive

The financial incentive will consist in the reimbursement of travel expenses from Bologna to Barcellona, accommodation at AGORA residence in Barcellona and food up to a maximum of € 450,

upon presentation of all the supporting documents in accordance with the University Missions Regulation. In the absence of these documents, reimbursement cannot be made. The mobility will last a maximum of 7 days, from 26/06/2022 to 02/07/2022 and will take place at the Universitat de Barcelona – Spain.

4 Incompatibility

According to the general principles on incompatibility within the various international projects defined by the Academic Senate

- one may not benefit, in relation to the same purpose and the same period of mobility, from more than one grant (prohibition of double financing);
- it is possible to benefit, in the same academic year, from consecutive mobility periods only if these mobility periods have different purposes (except for those enrolled in Courses of Study that provide for a period of compulsory mobility).

5 Submission of applications: terms and methods

Applications to take part in the competition must be submitted exclusively through the "Studenti online" application by and no later than:

28/03/2022 alle ore 15.30

Per utilizzare l'applicativo occorre:

1. log in to studenti.unibo.it, entering your Unibo username and password;
2. click on button "Calls";
3. select the call for applications "BANDO PER L'EROGAZIONE DI INCENTIVI ECONOMICI PER PARTECIPAZIONE SUMMER SCHOOL "Interdisciplinarity in STEM education" A BARCELLONA (SPAGNA) NELL'AMBITO DEL PROGETTO ERASMUS+ IDENTITIES";
4. enter all required details and check carefully the contact information
5. upload all required documents.

Only candidates who meet the requirements set out in Article 1 of the call for applications may continue to complete the online application form.

In order to receive assistance or guidance in filling in the application online, applicants may contact the Studenti Online Help Desk by phone at the following number: +39 512099882, Monday to Friday, from 09:00 to 13:00 and from 14:00 to 17:00, or they may send an e-mail to help.studentionline@unibo.it.

NOTE: The application is valid only if the student completes the above procedure; it is not possible to send the application on paper or by e-mail to the offices. It will be the responsibility of the applicant

to check that the application has been received correctly.

The following documents must be attached to the application in "pdf" format, under penalty of exclusion from the competition:

- 1) ANNEX A: application to participate, fully completed, dated and signed;
- 2) A copy of the Bachelor's thesis in digital format;
- 3) Self-certification of Bachelor degree with final grade;
- 4) self-certification attesting to enrolment in a Master's degree course and containing a list of credits obtained at the date of the application and the relative marks;
- 5) motivational letter written in English (max. 2 pages, 5000 characters including spaces)
- 6) Proof of B2 level English language proficiency (self-certification, CLA curricular certification or external certification);
- 7) updated curriculum vitae experience and background in the field of Science education;
- 8) copy of a valid identity document.

The Office accepts no responsibility for errors in receipt.

Applications received after the above-mentioned deadline will not be taken into consideration

6 Publication of the call for applications, final ranking list and notification of results

The announcement and the ranking of the winners/eligible candidates will be published on the UNIBO website in the section: "Announcements, tenders and competitions" <https://bandi.unibo.it/agevolazioni/borse>.

The winners of the study grant will be the first candidates to be placed in the final merit list, explicitly indicated as winners.

The winners will be notified of the award by e-mail.

7 Winners: method of acceptance

Winners must send at DIFA (clarissa.consaga@unibo.it) the documentation required for acceptance of the financial incentive no later than one week after notification of the selection outcome.

The required forms must be completed in full in all parts, signed in original and including a copy of a valid identity document.

The lack of acceptance within the deadline indicated will implicitly represent the waiver the incentive by the winning candidate. The renunciation of the incentive will give rise the sliding of the merit list.

8 Insurance

The approval decree will constitute the formal authorisation to guarantee insurance coverage for the beneficiaries and eligible candidates during the trip and for the period of stay abroad, provided that

the interested parties are regularly enrolled in the study courses in question for the academic year 2021/2022.

9 Renunciation and Suspensive Conditions

In the case of renunciation after acceptance of the incentive, the student must promptly inform DIFA at least 10 working days before the planned date of departure.

The renouncing student will be required to repay any sums already received.

Given the epidemiological situation from COVID-19 and the consequent international health crisis, still existing at the time of the issuing of the present call, restrictions in international mobility and in the opening of national borders could be in place, with inevitable consequences also on international student mobility. In the event that departure for Corsica should prove impossible due to the health emergency and the consequent security measures, the host university may make it possible to participate in the school in virtual mode (e-learning): should this impediment occur, students who have won the present call will be promptly informed.

9 Payment of the economic incentive

Incentives will be paid as reimbursement of expenses in accordance with the University's Mission and Travel Regulations (<http://www.fisica-astronomia.unibo.it/it/dipartimento/servizi-tecnico-amministrativi/missioni>).

11) Information notice concerning data processing

The personal data provided shall be processed in compliance with the principles and provisions of Italian Legislative Decree no. 196/2003 (Data Protection Act) and in any case exclusively for the purposes of this call for applications. The provision of the requested data is compulsory for the purposes of processing your application. Information on the processing of any personal data supplied with applications for participation is published on the university portal at:

<https://www.unibo.it/en/university/privacy-policy-and-legal-notes/privacy-policy/personal-data-processing>

The procedure manager is: Dott.ssa Maria Giovanna Piazza.

For information, please contact the Administration Office at the Department of Physics and Astronomy “Augusto Righi”: clarissa.consaga@unibo.it.

IMPORTANT NOTICE: The English version of the call has been drafted exclusively for publicity purposes. For call implementation, dispute resolution and for all legal purposes, only the Italian version is valid
