CALL FOR APPLICATIONS FOR 1 VISITING RESEARCHER POSITION

Purpose

The “**Call for applications for n. 1 visiting researcher position**” pursues the goal of enhancing the internationalisation of the scientific community of the Department of Physics and Astronomy “Augusto Righi” (hereby “DIFA” or “Department”) by attracting new visiting researchers.

The visiting researcher will carry out scientific research in the following key areas of interest for the DIFA: “*Climate change downscaling in the Adriatic Sea with coupled atmosphere-ocean-marine biogeochemistry and hydrology with particular attention to the coupling between hydrology and biogeochemistry*”.

Beneficiaries

This call is open to scholars and experts, of high scientific standing and proven international reputation currently working abroad at universities or research centres. People with the following job titles are eligible to apply:

- R2 Recognised Researcher (PhD holders or equivalent who are not yet fully independent)
- R3 Established Researcher (researchers who have developed a level of independence)

Duration

The visiting researcher will be hosted at the DIFA for 2 months.

Research activities will have to start **no later than June 10th, 2021**

Remuneration

The visiting researcher will receive, for the whole stay, a salary of € 6.000 gross of all charges applied to the recipient, including insurance coverage against accidents and third-party liability (called ‘RCT’ in Italy).

The DIFA will provide the visiting researcher with the necessary facilities and equipment for carrying out their research activities.

Application submission: terms and methods

Application must be submitted **from April 13th to April 28th 2021 23:59 CET exclusively by e-mail to difa.direzione@unibo.it**

The application must include:

- full scientific and professional curriculum
- letter of intent (stating the period of stay, the research area of interest and the planned activities)
- a scanned copy of the applicant’s valid passport or ID

Applications received in any different way shall not be accepted.

Award criteria

The applications will be evaluated by a selection committee appointed by the Department Board on the basis of the following criteria:

1. scientific profile of the candidate;
2. originality of the visiting researcher’s mobility project;
3. relevance of the mobility project with regard to the scientific development objectives of the Department.
