

DIVISION OF GRANTS

The expected *Erasmus+ Mobility for Traineeship* grants for the a.y. 2019/20 are **542**.

The **542** grants have been distributed to the 32 Departments and PhDs research programmes proportionate to:

- ✓ the number of on-schedule enrolments (data referring to the academic year 2018/19);
- ✓ the popularity of traineeships abroad, based on Erasmus+ data from A.Y. 2018/19.
- ✓ the likelihood of mobility being carried out abroad, based on Erasmus+ data from A.Y. 2018/19

According to the Governing Body decision of 30/04/2019, Departments may plan to join with other Departments, with consequent aggregation of the rankings. In addition, the Departments, either in single form or in aggregate form, may provide additional rankings by campus (see box below).

Grants destined for medical and non-medical specialisation schools are attributed to the Departments to which they belong.

In the event of allocation of new funds and if, for lack of suitable demand, a Department/Aggregation of Departments/Campus is unable to award all the grants allocated to it, they will be made available to the Department/Aggregation of Departments/Campus with the fullest ranking list, and in case of a tie, to the Department/Aggregation of Departments/Campus with the highest number of students enrolled. Any grants waived at a later date will be assigned to the second fullest list of suitable candidates, and so on.

In any case, the re-allocation of grants will be proportional and, as a secondary objective, seek to use all the grants available.

The list of CdS related to each Department is available at <https://www.unibo.it/en/teaching/degree-programmes>
