

Exchange Places

2 places for course attendance (exchange profile 1)

1 place for thesis research (exchange profile 2)

Exchange profile 1: course attendance**Duration**

One semester (either 2nd or 1st).

Only *grado* courses from the School of Social Sciences ("Ciencias Sociales") are available to exchange students (a *grado* degree programme lasts four or five years). *Postgrado* courses as *Maestria* and *Doctorado* are not available for exchange students. All semester-long courses are available to exchange students. Annual, language and *Practicas Pre-Profesionales* courses are not open to exchange students.

Limitations

The exchange is open to students enrolled in a first- or second-cycle degree programme. Nevertheless, candidates are required to check the academic offer of the Facultad de Ciencias Sociales which is mostly focusing on Social Science and does not cover all the subjects taught at the University of Bologna.

Language Requirements

A Spanish language proficiency level of **B2** (or above) is required, as per the standards of The Common European Framework of Reference for Languages. Proof of language proficiency can be provided through sitting the Overseas language test at the Language Centre CLA or through a certificate (see www.unibo.it/overseas for language test dates and a list of admitted certifications).

Exchange profile 2: thesis research

Students enrolled in a Master Degree or in the last two years of the single cycle Master Degree who are interested in carrying out research for their final thesis, may apply for this exchange profile. The subject of their thesis must consider Argentina or South America as a relevant area for empirical research at UBA - FCS. Under penalty of exclusion from the programme, after being selected for the exchange and before their departure* students must submit the following documents:

- written approval for the exchange period signed by their UNIBO thesis supervisor.
- written authorisation from a host university supervisor (via email or letter) who is willing to welcome and supervise the student in his/her thesis research activity during the exchange.

Furthermore, selected student will have to submit a Learning Agreement in which they declare that they will be undertaking thesis research during their exchange.

*the deadline for the submission of the listed documents will be communicated by the Diri Area 3 Office.

Attention: Students applying for this exchange profile will be required to pay an administrative fee of US\$ 200.

Duration

One semester (either 2nd or 1st).

Limitations

Only students enrolled in a second-cycle degree programme or in the last two years of a Single cycle degree/Combined Bachelor and Master (LMCU) programme in Social Sciences may apply.

Language Requirements

A Spanish language proficiency level of **A2** (or above) is required, as per the standards of The Common European Framework of Reference for Languages. Proof of language proficiency can be provided through sitting the Overseas language test at the Language Centre CLA or through a certificate (see www.unibo.it/overseas for language test dates and a list of admitted certifications).

Academic Calendar

Semesters: from August to December (2nd sem) and from March to July (1st sem). The academic calendar is shifted compared to the University of Bologna. However, students will follow the University of Bologna academic calendar, even if this covers semesters of two different academic years at the host institution.

Duration

One semester (either 2nd or 1st).

Schools or Colleges open to Exchange Students

Only *grado* courses from the School of Economic Sciences ("Ciencias Economicas") are available to exchange students (a *grado* degree programme lasts four/five years). *Posgrado* courses as *Maestria* and *Doctorado* are not available for exchange students. Students can choose courses from following degree programmes: Lic. en Administración, Lic. en Economía, Contador Público, Actuario en Administración, Actuario en Economía, Lic. en Sistemas de Información de las Organizaciones

Limitations

The exchange is open to students enrolled in a first- or second-cycle degree programme. Nevertheless, candidates are required to check the academic offer of the Facultad de Ciencias Economicas which is mostly focusing on Economics and does not cover all the subjects taught at the University of Bologna.

Language Requirements

A Spanish language proficiency level of **B2** (or above) is required, as per the standards of The Common European Framework of Reference for Languages. Proof of language proficiency can be provided through sitting the Overseas language test at the Language Centre CLA or through a certificate (see www.unibo.it/overseas for language test dates and admitted certifications).

Attention: Selected students must, moreover, sit a Spanish language proficiency test at the host University as well. They will also be required to pay an administrative fee of \$3000 (Pesos argentines) for each semester.

Exchange profile: thesis research.

Students enrolled in a Master Degree or in the last two years of the single cycle Master Degree of the School of Medicine and Surgery, who are interested in carrying out research for their final thesis, may apply for this exchange profile. The subject of their thesis must consider Argentina or South America as a relevant area for empirical research or collaboration with institutions, businesses or local universities. Under penalty of exclusion from the programme, after being selected for the exchange and before their departure* students must submit the following documents:

- written approval of the exchange signed by their UNIBO supervisor.
- written authorisation from a host university supervisor (via email or letter) who is willing to welcome and supervise the student in his/her thesis research activity during the exchange.

Furthermore, selected student will have to submit a Learning Agreement in which they declare that they will be undertaking thesis research during their exchange.

*the deadline for the submission of the listed documents will be communicated by the Diri Area 3 Office.

Important notice: the Facultad de Farmacia is providing assistance to students in finding a thesis supervisor at UBA.

Duration

One semester (either 2nd or 1st).

Restrictions

This exchange is limited to Master Degree or single-cycle Master Degree students who are enrolled in the last two years of their course. Nevertheless, candidates are required to check the academic offer of the faculty which does not cover all the subjects taught at the University of Bologna and is mostly focusing on pharmaceutical disciplines.

Language requirements

Knowledge of Spanish at or above A2 level, as defined by the Common European Framework of Reference, is required. For the Overseas application students can either upload one of the certifications listed on the web page www.unibo.it/overseas or sit a language test at the Language Center CLA in one of the dates that will be published on the same web page.

Alternatively, a minimum score of 80 on the TOEFL IBT test is required or a total score of 6.5 or more on the IELTS exam.

ARGENTINA - Córdoba

UNIVERSIDAD NACIONAL DE CORDOBA

Exchange Places

- 1 places for language assistant (exchange profile 1)
- 4 places for course attendance (exchange profile 2)
- 1 place for thesis research (exchange profile 3)

Exchange profile 1: language assistant

Overseas Student Assistants provide assistance with the teaching activities for of Italian translation courses. During their stay at the Host Institution, Overseas Student Assistants may attend courses as well.

Duration

One semester (either 2nd or 1st).

Limitations

Places are only available to Department of Interpretation and Translation and Department of Modern Language, Literatures and Cultures students whose first language is Spanish. At the time of application, students must be enrolled in a second-cycle degree programme or in the third year of a first-cycle degree programme. During the exchange period, students must be enrolled in the first year of a second-cycle degree programme Department of Interpretation and Translation and Department of Modern Language, Literatures and Cultures which is taught in Spanish.

Language Requirements

The Universidad Nacional de Córdoba requires a Spanish language proficiency level of **B2** (or above), to be proved through a CELU, DELE certification. Students who do not have any of these certificates must sit the CELU exam for the required level on location.

In order to apply for this Call, students have to provide proof of their language proficiency through sitting the Overseas language test at the Language Centre CLA or through a certificate (see www.unibo.it/overseas for language test dates and admitted certifications).

Exchange profile 2: course attendance

Duration

One semester (either 2nd or 1st).

Schools or Colleges open to Exchange Students

Only *Grado* courses from all schools are available to exchange students. In the Argentinian education system, a *grado* degree programme lasts four or five years. Internships and *posgrado* courses (such as *Maestria* and *Doctorado*) are not available for exchange students.

Limitations

The exchange is open to students enrolled in a first- or second-cycle degree programme. Students enrolled in the single cycle degree course in Medicine and Surgery are not eligible.

Language-Requirements

The Universidad Nacional de Córdoba requires a Spanish language proficiency level of **B2** (or above), to be proved through a **CELU**, **DELE** certification. Some faculties may require a higher level of language competence. Students who do not have any of these certificates must sit the **CELU** exam for the required level on location.

In order to apply for this Call, students have to provide proof of their language proficiency through sitting the Overseas language test at the Language Centre CLA or through a certificate (see www.unibo.it/overseas for language test dates and admitted certifications).

Exchange profile 3: thesis research

Students enrolled in a Master Degree or in the last two years of the single cycle Master Degree who are interested in carrying out research for their final thesis, may apply for this exchange profile. The subject of their thesis must consider Argentina or South America as a relevant area for empirical research or collaboration with institutions, businesses or local universities. Under penalty of exclusion from the programme, after being selected for the exchange and before their departure* students must submit the following documents:

- written approval of the exchange signed by their UNIBO thesis supervisor.
- written authorisation from a host supervisor (via email or letter) who is willing to welcome and supervise the student in his/her thesis research activity during the exchange.

Furthermore, selected student will have to submit a Learning Agreement in which they declare that they will be undertaking thesis research during their exchange.

*the deadline for the submission of the listed documents will be communicated by the Diri Area 3 Office.

Duration

One semester (either 2nd or 1st).

Limitations

Only students enrolled in a second-cycle degree programme or in the last two years of the Single cycle degree/Combined Bachelor and Master (LMCU) programme may apply. Students enrolled in the single cycle degree course in Medicine and Surgery are not eligible.

Language Requirements

A Spanish language proficiency level of **A2** (or above) is required, as per the standards of The Common European Framework of Reference for Languages. Proof of language proficiency can be provided through sitting the Overseas language test at the Language Centre CLA or through a certificate (see www.unibo.it/overseas for language test dates and admitted certifications).

Exchange profile: thesis research and attendance of at least 1 course

Students enrolled in a Master Degree or in the last two years of the single cycle Master Degree who are interested in carrying out research for their final thesis, may apply for this exchange profile. The subject of their thesis must consider Argentina or South America as a relevant area for empirical research or collaboration with institutions, businesses or local universities.

In order to carrying out their thesis research work at UFF, students will have access to laboratories (taught in the English language). Moreover, according the host university regulations, a set amount of academic activity hours per semester must be completed by each student. In case the above-mentioned amount is not reached by laboratory hours, students will have to attend at least one *Graduação* course.

Under penalty of exclusion from the programme, after being selected for the exchange and before their departure* students must submit the following documents:

- written approval of the exchange signed by their UNIBO thesis supervisor.
- written authorisation from a UFF supervisor (via email or letter) who is willing to welcome and supervise the student in his/her thesis research activity during the exchange.

Furthermore, selected student will have to submit a Learning Agreement in which they declare that they will be undertaking thesis research during their exchange.

*the deadline for the submission of the listed documents will be communicated by the Diri Area 3 Office.

Duration

One semester (either 2nd or 1st).

2 places for course attendance (exchange profile 1)

1 places for thesis research (exchange profile 2)

Exchange profile 1: course attendance

Duration

One academic year or one semester (either 2nd or 1st).

Schools or Colleges open to Exchange Students

All Schools are available. Please check the Course Catalogue for restrictions.

Limitations

Only *graduação* courses are available for exchange students.

Language Requirements

A Portuguese language proficiency level of A2 (or above) is required, as per the standards of The Common European Framework of Reference for Languages. Proof of language proficiency can be provided through sitting the Overseas language test at the Language Centre CLA or through a certificate (see www.unibo.it/overseas for test dates and eligible certifications).

No English language certification is required at the time of application. Nevertheless, the partner university may require proof of English language knowledge during the student acceptance process. Please note that, even if candidates are only interested in taking English taught courses, the Portuguese language requirement is compulsory for all students who want to apply for this exchange.

Accommodation

University can assist exchange students in finding accommodation.

Attention: At their arrival, students might have to pay an administrative fee of ca. R\$ BRL 175,00 (approximately US\$ 55). For further information, please check <http://en.pucpr.br/pucpr-international/exchange-students/important-information-for-international-students/>.

Exchange profile 2: thesis research

Exchange Places

1

Students enrolled in a Master Degree or in the last two years of the single cycle Master Degree who are interested in carrying out research for their final thesis, may apply for this exchange profile. The subject of their thesis must consider Argentina or South America as a relevant area for empirical research or collaboration with institutions, businesses or local universities. Under penalty of exclusion from the programme, after being selected for the exchange and before their departure* students must submit the following documents:

- written approval of the exchange signed by their UNIBO thesis supervisor.
- written authorisation from a host university supervisor (via email or letter) who is willing to welcome and supervise the student in his/her thesis research activity during the exchange.

Furthermore, selected students will have to submit a Learning Agreement in which they declare that they will be undertaking thesis research during their exchange.

*the deadline for the submission of the listed documents will be communicated by the Diri Area 3 Office.

Duration

One semester (either 2nd or 1st).

Schools or Colleges open to Exchange Students

Research thesis can be done in the following fields: Administração, Bioética, Ciência Animal, Ciências da Saúde, Direito, Direitos Humanos e Políticas Públicas, Educação, Engenharia Mecânica, Engenharia de Produção e Sistemas, Filosofia, Gestão de Cooperativas, Gestão Urbana, Informática, Odontologia, Tecnologia em Saúde, Teologia.

Limitations

Only students enrolled in a second-cycle degree programme or in the last two year of the Single cycle degree/Combined Bachelor and Master (LMCU) programme may apply. Students enrolled in the School of Medicine and in the degree course in Dentistry are not eligible.

Language Requirements

A Portuguese language proficiency level of A2 (or above) is required, as per the standards of The Common European Framework of Reference for Languages. Proof of language proficiency can be provided through sitting the Overseas language test at the Language Centre CLA or through a certificate (see www.unibo.it/overseas for test dates and eligible certifications).

MEXICO - Monterrey/Guadalajara/Estado de Mexico

TECNOLOGICO DE MONTERREY (TEC)

Exchange Places

3

Duration

One academic year or one semester (either 1st or 2nd).

Schools or Colleges open to Exchange Students

Selected students can carry out their mobility period in the campus of Monterrey, Guadalajara or Estado de Mexico. The following Faculties are **available in Spanish**: *Ciencias Sociales y Humanidades, Comunicación y Periodismo, Ingeniería y Ciencias, Negocios y Administración, Tecnologías de Información y Electrónica, Arquitectura and Ciencias de la Salud.*

Courses in English are available only in the Guadalajara Campus for the following fields of study: *Humanities and Social Sciences and Engineering and Architecture.*

Limitations

The exchange is open to students enrolled in a first- or second-cycle degree programme. Please check the Course Catalogue of the Host University for restrictions before the application. Students enrolled in the single cycle degree course in Medicine and Surgery are not eligible.

Language Requirements

A Spanish language proficiency level of **B1** (or above) is required, as per the standards of The Common European Framework of Reference for Languages. Proof of language proficiency can be provided through sitting the Overseas language test at the Language Centre CLA or through a certificate (see www.unibo.it/overseas for language test dates and admitted certifications).

Attention: Selected students must also sit a Spanish language proficiency test at the Host University as well.

Some Faculties may require a higher level of Spanish. Students must provide proof of their language proficiency during the application phase.

Students who apply for the Guadalajara campus may also add courses in English - if they are available. In the latter case, they are required to provide, **during the application phase**, proof of their proficiency in English through a TOEFL iBT certificate with a total score of **80** (or above) or alternatively, they can present an IELTS (Academic) certificate with a total score of **6.5** (or above).
