AREA RELAZIONI INTERNAZIONALI

Matriculation is understood to mean the first enrolment in the first year of the degree programme. Enrolling in years following the first year, changing from one degree programme to another or transferring from one university to another, is not considered 'matriculation' (art. 4, 13, 14 of the Student Regulations, D.R. 464/2013).

Each Unibo Action 2 study grant is awarded for one academic year only and amounts to a total of €11.059, gross of all charges for the beneficiary's account.

Each Unibo Action 1 waiver is awarded for one academic year only. Students who are awarded the waivers must pay €157,64 in regional taxes, the duty stamp and insurance premium (amount subject to change).

The benefits cannot be awarded to students enrolling in multiple or joint programmes for which tuition fees have to be paid to a partner university, other than the University of Bologna.

The potential renewal of the benefits may only be possible through a specific call for applications.

ART. 2 – Incompatibility

The Unibo Action 2 study grant cannot be combined with:

1. study grants/prizes issued by the University of Bologna for the same purpose (including UNICORE study grants, Unibo for Refugees prizes);
2. study grants issued under Erasmus Mundus Action 1 (now EMJMD);
3. study grants issued by the Regional Authority for the Right to Higher Education (ER.GO), by the Ministry of Foreign Affairs and International Cooperation (MAECI), by the Italian Agency for Development Cooperation (AICS), by the Collegio Superiore in Bologna; by CRUI to beneficiaries of international protection;
4. study grants awarded under international cooperation projects in which the University of Bologna collaborates;
5. study grants issued by foreign governmental bodies or institutions, on the basis of agreements with the University of Bologna, aimed at assisting the enrolment of international students at the University of Bologna.

Unibo Action 2 study grants cannot be combined with Unibo Action 1 tuition fee waivers.

Study grants and tuition fee waivers are compatible with other forms of study support funded by ER.GO (housing services, etc.).

AREA RELAZIONI INTERNAZIONALI

ART. 3 – Admission requirements

Application is open exclusively to candidates who:

1. possess qualifications valid for admission to the chosen First or Single Cycle degree programme issued by an institution outside of the Italian education system or in an Italian institute outside Italy, after at least two years of attendance. If the qualification for admission is a one-year diploma, the prior qualification will be considered too. Qualifications issued by institutions of the Republic of San Marino do not satisfy this condition. The applicant's citizenship is not considered;
2. meet the admission requirements for the chosen degree programme or will meet such requirements at the time of matriculation;
3. are not current students at the University of Bologna for First, Single or Second Cycle degree programmes. Important! It should be noted that those whose student career (First, Single or Second Cycle degree programme) ended after A.Y. 2020-21 for any reason are considered students. Withdrawals from studies must have been completed (with the duty stamp payment) before the publication of this call;
4. have not already benefited from the Unibo Action 2 study grant or from the Unibo Action 1 waiver;
5. are not 30 years or older as of the deadline of this call.

ART. 4 - Award criteria

These study grants and waivers are awarded on the basis of SAT (Scholastic Assessment Test) test results: the sections "Evidence-Based reading and Writing" and "Maths" must be included.

Tests must have been taken after 29 April 2017, otherwise they won't be considered.

The minimum SAT score required is 950, considering the sum of the two sections ("Evidence-Based Reading and Writing Section" and "Maths").

Candidates holding a score lower than the minimum required will not be admitted to the selection.

PLEASE NOTE: for all awardees, payment of the Unibo Action 2 study grant is dependent upon effective admission and matriculation in the chosen degree programme or in another First/Single Cycle degree programme (i.e., candidates must pay the first instalment of the tuition fees before they receive the first instalment of the grant), and the possession of the maintenance requirements established in art. 8.

According to the order of the ranking, winners will be assigned Unibo Action 2 study grants until all the grants are used up. Next, winners in the subsequent positions will be assigned Unibo Action 1 tuition fee waivers, until the entire budget established by art. 1 is used up. It is not possible to receive both benefits.

AREA RELAZIONI INTERNAZIONALI

Waivers are awarded for the degree programme chosen by the student on the basis of the maximum tuition fee amounts (“contribuiti omnicomprensivi annuali”).

The rankings will be published on www.studenti.unibo.it
