AREA RELAZIONI INTERNAZIONALI

Students are invited to check that all exams passed have been recorded and to report any errors, by the call deadline.

For exams passed on a pass-fail basis, the grade is given by the weighted arithmetical average of the grades obtained. If no grades have been obtained, candidates will not be awarded any score. For exams passed "con lode" no extra score will be awarded.

The final awarding of the renewal is also conditional to the achievement of requirements for the payment of the third instalment for A.Y. 2021-2022.

In case of change from a degree programme to another (passaggio), credits accrued in the original degree programme will be taken into account only if recognized in the present degree programme.

In case of shortened programme (abbreviazione di corso), credits accrued previously are taken into account only if recognized in the present degree programme; the A.Y. of first enrolment will be calculated according to the year of enrolment during A.Y. 2021-2022. Credits accrued in single course units which are not recognized, credits accrued completing Additional Learning Requirements ("OFA") or attending Italian Language Courses at the University Language Centre (CLA) or any other credit which are not useful for the qualification awarding, will not be taken into account.

All credits, but those recognized in case of shortened programme of previous university careers, must be gained at University of Bologna (art. 16 University teaching regulations) or at other universities, within University of Bologna mobility programmes, and must be recognized by the above mentioned deadlines.

For all candidates, the payment of the study grant is subordinate to the effective and regular enrolment for A.Y. 2022-2023 and to the possession of the maintenance requirements laid down in art. 8. Students enrolling in A.Y. 2022-2023 who are not aligned to the exam schedule (fuori corso) cannot be awarded the Unibo Action 2 renewal grant.
