**Submitting the ISEE within November 16th, 2020, will be requested the payment of an extra-charge on the tuition fees amount, as ruled by the UNIBO regulations about students’ tuition fees, published at https://www.unibo.it/en/teaching/enrolment-transfer-and-final-examination/tuition-fees-and-exemptions/tuition-fees-a-y-2020-21**

Students who will lack the ISEE submission, who will not complete the economic data section or will not send the documentation concerning income and assets abroad within the deadlines listed above, will not receive the additional contribution, but only the regular Erasmus+ mobility grant.

Students leaving from 01/09/2020 to 31/01/2021 are strongly advised to submit the ISEE certification, to complete the economic data section and to send the documentation concerning income and assets abroad within the deadlines listed above, if they want to receive the additional contribution before departure. In the negative this additional contribution will be paid at the end of the mobility.

**WARNING:**

*Students whose nuclear family has income and/or assets in Italy*

To submit the ISEE students must use their institutional credential to access the ER-GO Form and fill in the “Personal Data” and “Economic Data” sections.

In the ECONOMIC DATA section, students are ONLY asked to enter the INPS protocol number of the ISEE certificate (e.g., INPS-ISEE-2020-XXXXXXXX-00) and will thus be able to view, in real time, the ISEE, ISPE and ISEE certificate equivalence coefficient, obtained directly by ER.GO from the INPS database.

Those who still do not have an INPS protocol number for their ISEE certificate (e.g., INPS-ISEE-2020-XXXXXXXX-00) will nonetheless be able to submit and confirm their applications online by entering the sender’s protocol number (e.g., CAF000XX-PG0000-2020-N0000000), contained in the RECEIPT issued at the time of the application, but may do so solely during the period from June 29th to June 30th (for students leaving from 01/09/2020 to 31/01/2021) or from October 29th to October 30th (for students leaving from 01/02/2021 to 30/06/2021 or for those who did not respect the previous deadline). ER.GO will then obtain the details of the ISEE certificate by querying the INPS IT system. Students will be informed by SMS about the availability of the ISEE data and will be asked to confirm them entering again the ER.GO online system within July 15th (for students leaving from 01/09/2020 to 31/01/2021) or December 23rd (for students leaving from 01/02/2021 to 30/06/2021 or for those who did not respect the previous deadline). Students failing to respect these deadlines will not receive the additional contribution.

If the ISEE certificate contains ANNOTATIONS, the student must contact INPS, a tax assistance center (CAF) or the municipality again to sign a new complete and correct Self Certification (DSU) to replace the version containing omissions or discrepancies. Once the corrected ISEE has been obtained, it must be submitted to ER.GO by filling in again the ECONOMIC DATA section and entering the INPS protocol number for the ISEE without omissions. This procedure must be done within July 15th (for students leaving from 01/09/2020 to 31/01/2021) or December 23rd (for students leaving from 01/02/2021 to 30/06/2021 or for those who did not respect the previous deadline). Until the student complete the application, after the information has been obtained from the INPS IT system, the application will not be able to be considered for the payment of the additional contribution. Students failing to respect these deadlines will not receive the additional contribution.

Students whose nuclear family has income and/or assets abroad

International students with income and/or assets abroad must follow the guided procedure proposed by the online application within the deadlines listed above.

International students cannot request an ISEE calculation. Instead, they must present the documentation confirming their economic situation and assets issued by the authority competent for the territory in which the income was earned and where the assets are held. This documentation must be translated into Italian and legalised by the Italian diplomatic authorities in the place of origin, or apostilled where required. The application will be complete only if the section of personal and economic data is filled in online and if the documentation of foreign income/assets is sent according to the deadline specified above and the modality specified on the web page entitled "Documentation regarding the economic situation of international students".

However, if your family resides in Italy and receives income and/or owns assets in Italy, you must request the ISEE calculation.

Due to the COVID-19 emergency, **students who have already provided the complete and valid foreign income documentation**, in accordance with University Regulations/Calls for Applications to request tax relief/reductions and/or ER.GO benefits for A.Y. 2019/20, **are not required to provide the documentation for A.Y. 2020/21**. Students who, for the a.y. 2019/2020, have not provided the documentation or have provided an incomplete documentation, must provide the full foreign income documentation according to the deadline specified above and the modality specified on the web page entitled "Documentation regarding the economic situation of international students".

Students whose family has mixed incomes

Students resident in Italy and with Italian citizenship who subscribe to and self-certify the ISEE in application for benefits and who (themselves or a family member) have income or assets abroad, must document foreign income and assets in the same way as foreign students, even if these values were included in the Self Certification (DSU) submitted (and therefore in the ISEE calculation). The documents must be produced by the territorially competent Authorities, where the income is produced and the assets owned, and must be translated by sworn translator and legalized according to the rules of law. The documentation must be sent online within the deadlines specified above, otherwise the requested benefit will be lost.

Failing to submit the documentation within the deadlines listed in this communication, late submissions, the submission of incomplete documentation or the submission of documentation not in compliance with the information provided by this communication will result in ineligibility to the additional contribution.

**EXCLUSION CATEGORIES**

Students that will be excluded by the additional contribution are:

a) Those who will lack to submit the ISEE declaration or will not complete the economic data section within the deadlines listed in this communication;

b) Students with income and/or assets abroad who will not fill out the ER.GO online form (personal and economic data sections) and will not send to Er.GO the complete and compliant documentation concerning their income and asset situations within the deadlines listed in this communication; 
c) Those who hold an ISEE calculation higher than € 23.000;

PAYMENTS SCHEDULE

Eligible students, who submit the ISEE declaration within the deadlines reported above, will receive the additional contribution together with the first instalment of the mobility grant. Otherwise, they will receive the additional contribution at the end of the mobility.

FURTHER CONTROLS AND LOSS OF THE ADDITIONAL CONTRIBUTION

Further controls on economic situations will be managed by ER.GO on behalf of the University by using the databases involved in the ISEE calculation (i.e. Agenzia delle Entrate and INPS databases).

Self-declarations about economic data of ISEE with annotations and/or omissions will be controlled by ER.GO, even asking students further documentation stating the completeness and truthfulness of self-declared data. Evidence of untruthful declarations finalized to obtain the additional contribution will lead to its revoke and the student will be asked to refund the sum eventually already received.

For information and clarification regarding compilation of online form, contact ER.GO by telephone at tel.051–6436788 and 051-6436759.
