Call for selection Visiting Scientist - Department of Excellence Project -Department of Agricultural and Food Sciences: CUP: J43C22001650001

Art. 1

The Alma Mater Studiorum – University of Bologna – Department of Agricultural and Food Sciences (hereinafter, “DISTAL” or “Department”), in the framework of the Department of Excellence Project, funded by the Italian Ministry of University and Research (MUR), and with a view to fostering the internationalization of departmental research, adopted the present call, concerning Visiting positions for international Scientist invited to carry out activities of dissemination of their knowledge, research methodology, and results.

They will perform their activities within the Department facilities.

In particular, the *Visiting Scientist* shall allow a strong scientific interaction with Professors of the DISTAL. This interaction shall be developed especially by means of the following activities:

1. giving seminars/lessons on their research activities which will be mainly addressed to Phd students, Master students and faculty members of the DISTAL.
2. Complementary to this, joint organization of events or participation in competitive calls at EU, National and International level.

Art. 2

The total amount for this call is € 5.000,00 to be distributed among two intakes as follows:

Intakes	Fund
1st intake	Up to € 5.000,00
2nd intake	For the remaining amount after 1 st intake

The funds that are not assigned in one intake will be assigned in the following one.

Art. 3

The length of the stay shall be between one week and six months (see Art. 4). The period of stay shall be continuous so to achieve a fruitful interaction with the Professors and Researchers of the Department.

Visiting Scientist will be entitled to either:

1. ask for the reimbursement of travel, transfer, and accommodation expenses, or
2. receive all-inclusive compensation, or
3. receive a compensation and ask for a reimbursement of expenses.

The amount of the compensation will be decided by the MEB already appointed by the Department Council, and will vary according to the actual length of the stay.

Regardless of the options, the total reimbursement/compensation cannot exceed € 1.000,00

Art. 4

The application shall be sent via email to distal.ricerca@unibo.it and it will include the following documents:

1. a cover letter from a DISTAL's Professor/Researcher;
2. curriculum vitae;
3. the indication of the chosen period of stay;
4. reimbursement option including the compensation request (see Art. 3).

The application shall be sent within the following deadlines:

Intakes	Deadlines	List published	Mobility period	Reimbursement
1° intake	July 1st, 2024 at 12:00 PM (noon)	July 30th, 2024	End date of the visiting period: May 31 st , 2027	For reimbursement, the refund request (and related documents) must be submitted by June 30th 2027.
2° intake	January 31st, 2026 at 12:00 PM (noon)	February 14th, 2026		

Art. 5

The applications will be evaluated by the MEB. The MEB will select the best applications and define the final visiting list. The selection criteria are the following:

1. scientific qualification and research experience of the candidate;
2. relevance of the research interests for the Department.

The Department reserves the right to select a lower number of candidates if the applications submitted do not satisfy the demanded excellence requirements.

Art. 6

Visiting Scientist will be invited through a deliberation adopted by the Department Board. The deliberation will be published on the website <https://bandi.unibo.it/docenti/visitingfellows?str=DISTAL> and the invitation will be formalized with a letter from the Head of the Department.

Art. 7

The Visiting Scientist entry and residence in Italy are regulated by the Italian laws and the local authorities' regulations. It is up to the Visiting Scientist to obtain the visa and any other necessary authorization to enter Italy.
