Abstract of the Call for Application for Study grant FOR FINAL Dissertation ABROAD

SCIENZE AGRARIE BOLOGNA "BANDO PER L'EROGAZIONE DI BORSE DI STUDIO PER PERIODI DI RICERCA ALL' ESTERO PER LA PREPARAZIONE DELLA TESI DI LAUREA_DISTAL"

(This abstract is translated to English version just for publicity purposes. For any application and/or dispute resolution and/or for any legal purpose only the Italian version must be taken into consideration)

The Head of the Department

The Head of the Agricultural and Food Science Department, Alma Mater Studiorum – University of Bologna offers scholarships to support a period of study abroad, related to research for the final dissertation. The call is open to applicants with a research theme of international relevance, motivated by the thesis supervisor. The visiting period abroad has to be particularly relevant for the gathering of information necessary for the preparation of the final dissertation or for the research paper.

Art.1 Admission Requirements

Beneficiaries are students enrolled in the second and third degree classes listed below

Bachelor's degree:
- Marketing and Economics of the Agro-Industrial System
- Animal Production
- Land and Agro Forestry Sciences
- Agricultural Technology
- Sciences and Technologies for Green and Landscape

Beneficiaries are students enrolled in the first and second degree classes listed below:

Master degree:
- International Horticultural Science
- Planning and Management of Agro-territorial, Forest and Landscape
- Agricultural Science and Technologies
- Precise and Sustainable Agriculture

Art.2 Aims of the project

The contribution aims at promoting research for the preparation of the final dissertation or the writing and preparation of a research paper related to the topic of the dissertation.

Some additional scholarships can be awarded through Dipartimenti di Eccellenza 2018/2022 project founded by the MIUR (Ministry of Education, Universities, and Research) through a non-exclusive declaration of interest as reported in the note of the art.5 of this abstract. For the reference, topics of the specific scholarships please see the on-line section relating to the Dipartimenti di Eccellenza 2018-2022 Project at http://www.distal.unibo.it/
Will be encouraged projects developed starting from the sector agreements “Accordi di Settore” in place at the Department of Agro-Food Sciences and Technologies such as:

Art.3 Scholarship amount

The scholarships, in limited numbers, are intended as partial financial assistance for the expenses related to the stay of studies abroad, especially in cases where the life costs are particularly high.

The University Board of Directors decided to set a minimum threshold of 1,000.00 euros and a maximum of € 3,100.00, net of the charges borne by the Entity.

The amount of the scholarships will be determined by a Commission. The amounts of the individual scholarships may vary according to the destination and the duration of the stay abroad (which cannot exceed six months and cannot be less than two months).

Art. 4 Incompatibilities

The study grant is incompatible with other scholarships, grants and benefits from the University of Bologna for the same destination during the same period.

Art.5 Documents required

All participants have to upload the documents listed below or the application shall be invalid:

1) Curriculum Vitae dated and signed
2) Annex 1: Domanda di partecipazione attached in the official call
3) **Draft of the project**, stating in details the kind of research that will be carried out abroad,

Note: if the candidate is interested to scholarships provided within the DISTAL Project – Dipartimenti di Eccellenza, the interest has to be expressed by attaching a brief note (max 150 words) in which it is indicated how the research will contribute to the advancement of knowledge in the following thematic: "Sustainable agriculture and the link between water, food and energy, integrated management of natural resources according to the circular economy purposes ."

4) **Supervisor approval.** The supervisor's declaration and its approval of the project and the availability by the foreign University and/or Institution stating their consent to host the candidate during his/her staying (an exchange of e-mail between the supervisor and the foreign institution is enough).

5) For undergraduates a **substitute declaration of certification** made pursuant to art. 46 of the D.P.R. 445/2000 including the list of exams taken, the relative average marks and credits obtained. For graduates the degree certification including all exams and marks

6) **Self-certification** including the ISEE amount income (last ISEE presented for the current in the academic year enrollment). Furthermore, the overall cost estimated.

7) **Copy of ID**

8) **Additional declarations or documents useful for the evaluation of the application.**

9) **Annex B. Tabella riassuntiva** attached in the official call.

**Art.6 Application procedure**

All candidates have to apply by the on-line application “Studenti on line” SOL
- access the address https://studenti.unibo.it, using your university credentials;
- click on the "Calls" button;
- selects the call for tenders for "SCIENZE AGRARIE BOLOGNA: BANDO PER L’EROGAZIONE DI BORSE DI STUDIO PER PERIODI DI RICERCA ALL’ESTERO PER LA PREPARAZIONE DELLA TESI DI LAUREA” - DISTAL
  - upload all documents (art. 5).

The candidate has to verify the correct receipt of the email. **The office disclaims any responsibility in case of misplaced delivery.**

**Deadline:** 15th January 2022 - 12,00 am

**Art.7 Winners Fulfillment**

The winners have to start their research abroad within 6 months from the award of the scholarship. In case the beneficiary will not leave within 6 months, the scholarship will be reassigned to other candidates.

Where possible, any credits obtained during the experience abroad will be recognized as PREPARAZIONE PROVA FINALE ALL’ESTERO.

**Art.8 Privacy**
As for D.Lgs. 30.6.2003 n. 196 and for GDPR UE n. 2016/679, all personal details will be kept at the Alma Mater Studiorum - Università di Bologna, con sede in Bologna, Via Zamboni n. 33, 40126 Bologna. – and used exclusively for the compliance related to this call.

Art. 9 Publication

This announcement is published on the website http://www.bandi.unibo.it/ as well as on the websites of each DISTAL Degree.

The person in charge of the procedure is Dr. Pierluigi Puccetti pierluigi.puvvetti@unibo.it
