The positions are aimed at extracting from the onomastic data, available for the 44 major Mesopotamian polities other the 3.200 – 1.750 BCE period and for the 34 capitals of the main Egyptian nomes between 2900 and 1750 BCE, a proxy for the degree of cultural heterogeneity

Location

The activities will mostly be carried out remotely, as well as at the department and/or at any other University facility or other location chosen by the worker that is functional to achieving the project objectives.

Article 2

General application requirements

This call for applications is open both to permanent **Officers Area and/or Highly Professional Area** employees of the University and to external applicants.

The application requirements for the purposes of this competitive assessment are as follows:

1. Degree qualification: Master's degree or equivalent degree qualifications
2. Advanced knowledge and at least 24 months of experience in Akkadian, Hieroglyphic Egyptian, Sumerian, Hurrian, and/or Hittite.
3. No criminal convictions and/or pending criminal proceedings such as would be incompatible with the appointed work to be carried out
4. Enjoyment of civil and political rights
5. Adequate knowledge of Italian, if the candidate is a foreign citizen

For degree qualifications gained abroad, a declaration of equivalence is required in accordance with the applicable laws in force. In the absence of such a declaration, candidates must include with their application a translation in Italian of the foreign degree qualification, accompanied by a declaration by the candidate that the translation is a true representation of the original.

Foreign degree qualifications may be declared admissible by the Selection Committee solely for the purposes of participating in the selection. If the successful candidate has gained degree qualifications in a country outside of the European Union, he/she must send the University the official translation along with a declaration of the value of the degree by the relevant Italian diplomatic or consular official in their country of origin. It must be sent in the same manner as that provided for submitting the application, in accordance with the laws in force, prior to signing the contract.

Applicants who are related, up to and including the fourth degree of consanguinity, to a professor within the Department that has requested the appointment, or to the Rector, the Director General or a member of the Board of Governors of the University, may not participate in the selection. Staff who have taken early retirement are also disqualified from applying pursuant to art. 25 of Italian Law 724/1995.

The requirements must be met on the date of expiry of this notice.

Candidates who do not meet the application requirements or who fail to declare them shall be excluded from the selection procedure.

Article 3 University employees

Permanent employees of the University may indicate their interest using the form in annex 2 in the manner specified in article 5.

Under penalty of exclusion, the application of the employee must be accompanied by the relative AUTHORISATION from their department manager using the form in annex 3.

Work carried out by an employee of the University may be performed only in accordance with the contractual terms and conditions of the collective bargaining contract applicable to the university sector in compliance with the laws in force, particularly Italian Legislative Decree 165/2001, as amended.

The appointment will be performed by the employee during office hours and does not provide for any additional payment in that it is considered part of the services rendered.

Article 4 Application
