AREA SERVICE AREA MEDICA – STUDY AWARDS FOR DESERVING STUDENTS, INCLUDING GRADUATES, FOR THE DEGREE PROGRAMMES REFERRED TO THE SCHOOL OF MEDICINE – 2022 – RE-EDITION

This English version is provided for publicity purposes only. Please note that the official call for applications is written in Italian, and is published on <https://bandi.unibo.it/>. To the extent any translated part or element of this document conflicts with the Italian version, the Italian version controls and will prevail in case of legal controversies.

APPLICATION DEADLINE:
30 November 2022– 13:00h (Italian time)

ART. 1 – STUDY AWARDS

This document regulates the 2022 application procedures for **57 study awards of the amount of € 1.000,00 each** (before taxes) to deserving students currently enrolled for the a.y. 2022/23 or graduates enrolled for the a.y. 2021/2022 who graduated by the application deadline, **in Degree Programmes whose teaching activities are based in Bologna and Imola, and which refer to the School of Medicine.**

The total amount of funding available for this call for applications is € 61.845,00 (before School tax obligations).

ART. 2 – SELECTION, PURPOSE, AND GENERAL ELIGIBILITY REQUIREMENTS

The study awards are aimed at applicants who, upon submitting their application, comply with the following requirements:

- **Enrollment**
 - are currently enrolled for a.y. 2022/23 in course years other than Year 1 on one of the First-, Single-, or Second-Cycle Degree Programmes which refer to the School of Medicine as per art. 1 above;
 - or
 - were enrolled for a.y. 2021/2022 on one of the First-, Single-, or Second-Cycle Degree Programmes which refer to the School of Medicine as per art. 1 above, and already graduated by the application deadline.
- **Grade average:**
 - Have gained within the application deadline an average weighted mark not inferior to 29,00.

In order to verify the aforementioned requirements, only credits recorded by the application deadline will be considered.

Only credits to be gained according to the School Teaching structure and for all Degree Programmes will be considered to assess the total amount of credits within the application deadline.

If the learning activity is made of modules (Integrated Course), credits related to each module will not be considered before the whole Integrated Course is duly recorded.

The credits are considered with reference to the first year of enrolment, notwithstanding that the candidate transferred from another Degree Programme. For example: students enrolled in the a.y. 2020/21 who transferred to another Degree Programme Year 1 in 2021/22 will be considered as enrolled in the a.y. 2020/21.

Exemptions:

For candidates who transferred from First-Cycle Degree Programmes to Single-, or Second-Cycle Degree Programmes, only the credits recognized by the current Degree Programme will be considered, according to the year of enrolment.

For students who have previous academic records abroad and have enrolled from year 2-6, the year of registration is to be considered the one they have enrolled in for 2022/23.

For students who have transferred from another Degree Programme in the same university or from another university, the only previously recorded credits to be considered will be the ones recognized in the current Degree Programme.

In case of previous academic record, due to withdrawal, loss of student status or second degree, previously recorded credits will not be considered for the purposes of this call for applications.

Credits obtained from single learning activities and additional learning requirements will not be considered.

Credits obtained from learning experiences abroad will be considered only if obtained by 15 November 2022 and duly recorded.
